

Doctor Strange: The Art of the Movie is set to be released next week, and it will no doubt be packed full of amazing concepts for the critically acclaimed release. Today, artist Karla Ortiz has shared a handful of her designs, and as you can see below, they revolve around some alternate costumes for both Stephen Strange after his transformation into a sorcerer and his close ally turned possible enemy Karl Mordo. 10 Best Moments In Marvel And DC's 2016 Superhero Movies "It was quite a challenge to bring the entirety of the look together," Ortiz said of her work for Doctor Strange, "while keeping the feeling of the comics alive! Not just this but all the costume pieces had to work both individually and in unison." Let us know your thoughts on these cool designs below.
