

Doctor Strange promises to have its fair share of powerful magical objects to assist Stephen Strange on his journey towards becoming the Sorcerer Supreme. In a brand new promo (via Comicbook.com), we get to see some new footage from the film showcasing several of these objects, including the sling ring (which helps Strange create portals to travel over great distances), the Cloak of Levitation (which gets some hilarious moments here) and the Eye of Agamotto, housing what is fully expected to be the Time Stone. Check out the full promo below! From Marvel comes DOCTOR STRANGE, the story of world-famous neurosurgeon Dr. Stephen Strange whose life changes forever after a horrific car accident robs him of the use of his hands. When traditional medicine fails him, he is forced to look for healing, and hope, in an unlikely place – a mysterious enclave known as Kamar-Taj. He quickly learns that this is not just a center for healing but also the front line of
