

Iron Man Anime follows Tony Stark, who goes to Japan to produce a new arc station and showcase the Iron Man Dio, a new prototype armor, that will replace him when he retires. However, the Dio goes out of control and it is up to Tony as Iron Man to stop it along with an organization called the Zodiac. Check out the video below, courtesy of Marvel: What do you think of this? Sound off your opinions below! With the voice of Milo Ventimiglia as Iron Man and fellow Heroes actor Adrian Pasdar as Wolverine, the English version of Marvel Anime will premiere on G4 on July 29, later this year!
