

This statue is just too awesome not to give everyone a heads up on. While conducting my usual Internet searches, this image hit my browser and I was completely floored. Bowen Designs usually does great things with every Marvel character, but this goes above and beyond anything they have done before. Thor comes complete with switch-out right hand and standing over 19 inches high, the Thor Classic Action Statue is cast in high-quality polystone, a great addition to any Marvel collection! Pre-Order the Thor Classic Action Statue [here](#).
