

We're getting closer and closer to the release of The Amazing Spider-Man, and yet another new featurette for the film has been released. Despite the fact that it features little in the way of new footage (some would argue that Sony has revealed more than enough at this point anyway) it does offer some insight into the importance of both Oscorp and the design of the building and sets. Check it out below, sound off with your thoughts in the usual place and make sure to stay tuned to CBM over the next week for more of our coverage of the film. The Amazing Spider-Man is the story of Peter Parker (Garfield), an outcast high schooler who was abandoned by his parents as a boy, leaving him to be raised by his Uncle Ben (Sheen) and Aunt May (Field). Like most teenagers, Peter is trying to figure out who he is and
