

Even Barry's own parents think he should be moving out. Don't they realize he altered the very fabric of reality to save their lives? Some people are just so ungrateful... The Flash is all new tonight, at 8/7c on The CW. What other Flashpoint changes are you looking forward to seeing?

WHAT WOULD YOU SACRIFICE TO HAVE EVERYTHING YOU'VE EVER WANTED? — Barry (Grant Gustin) is living his dream life – his parents are alive, he's asked Iris West (Candice Patton) on a date and he can finally be a normal guy as Central City has another speedster, Kid Flash (Keiynan Lonsdale), running around saving the city. When Barry starts forgetting parts of his old life, the Reverse Flash (guest star Matt Letscher) taunts his nemesis and tells him that there will be serious repercussions for Barry and the ones he loves if he continues to live in this alternate universe. In addition to losing his memories, his powers will also start to
