

In addition to the recently posted shots of Joseph Gordon-Levitt from today's The Dark Knight Rises Pittsburgh set, is a video showcasing JGL as John Blake walking down a road with a gas tank in his hand, with a Tumbler prototype driving in front of him. The Dark Knight Rises is scheduled to hit cinemas July 20th, 2012, and will feature an all-star cast that includes Christian Bale, Michael Caine, Gary Oldman Marion Cottillard, Anne Hathaway, Josh Pence, Tom Hardy, Morgan Freeman & Joseph Gordon Levitt.
