

Source: HBO If you're anything like me, you can't wait for Season 2 to begin. No official date has been released but HBO has confirmed that the second season will begin airing sometime in April. Game of Thrones is an American medieval fantasy television series created for HBO by David Benioff and D. B. Weiss. Based on author George R. R. Martin's best-selling A Song of Ice and Fire series of fantasy novels, the first of which is called A Game of Thrones, the television series debuted in the U.S. on April 17, 2011. The production is based in Belfast, Northern Ireland, with additional locations elsewhere in Europe also being used. The show's cast is mainly British and Irish. Highly-anticipated since its early stages of development, Game of Thrones was very well received by viewers and critics. The series was picked up for a second season on April 19, 2011, two days after
