

This new set vid from HBO is the best yet, giving us a look at some of the brutal and bloody battles and fights we have to look forward to in the upcoming second season. The man doing most of the damage is of course The Hound and there are some great shots of him swinging his sword and hammer. But we also get our first look at the formidable Brienne Of Tarth..well, her back anyway! Check it out.. Making Game of Thrones: Coordinating Fights By TwitterButtons.com
