

If you thought season one of Game Of Thrones had a lot of characters to focus on wait until you see season two. Along with the original group (those that survived anyway) there are at least 10 more faces that you will be getting familiar with over the course of the new season. One of whom is Rose Leslie as Ygritte, the Wildling girl that takes a fancy to Jon Snow. You can see the first official still of her below, as well as Nonso Anozie as Xaro Xhoan Daxos, Aimee Richardson as Myrcella Baratheon, Carive Van Houten as Melisandre and Natalie Dormer as Margaery Tyrell.. See more new stills by clicking the link below. Game Of Thrones starts back up on April 1st.
