

A bit of a scoop to go with the videos. The guy that posted both videos reveals in the comment section that he was told by a representative of the game that Andrew Garfield is not voicing Peter Parker/Spider-Man in the game. Take it with a grain of salt, although I tend to lean toward believing him. Go beyond the movie to experience what it's like to BE Spider-Man like never before. Set shortly after the events of Columbia Pictures' new film, The Amazing Spider-Man throws New York City's brand new hero back into free-roaming, web-slinging action, as he protects the Big Apple from a deluge of unimaginable threats. Experience the new Web Rush mechanic as Spidey twists his way through the NYC skyline with unprecedented speed and grace. The game's original story also explores beautiful indoor environments, as you'll encounter everything from skirmishes with everyday street thugs to pulse-pounding confrontations with
