

We have already seen a shorter, low res version of this clip, but one that used different (horrible) music. Anyway here is the full version which comes across slightly better.. Nicolas Cage reprises his role as Johnny Blaze in Ghost Rider Spirit of Vengeance. In this gritty new vision for the character, directed by Neveldine/Taylor (Crank), Johnny is still struggling with his curse as the devil's bounty hunter - but he may risk everything as he teams up with the leader of a group of rebel monks (Idris Elba) to save a young boy from the devil... and possibly rid himself of his curse forever. Ghost Rider: Spirit of Vengeance hits theaters worldwide February 17th, 2012.
