

The following images were scanned from the upcoming Hobbit themed issue of Total Film by the lads over at The One Ring.net. As you can see they feature new shots of Martin Freeman as our diminutive hero Bilbo Baggins, as well as a few of the Dwarves who will accompany him on his quest. Handsome bunch aren't they? Those last two pics look to be from the aftermath of the gang's encounter with three hungry, but dim witted Trolls in the forest. The first trailer for Peter Jackson's LOTR prequel will hit tomorrow so keep your eyes peeled. My precious. up your game at Gambling Insider
