

Set several years after the first film finds Johnny Blaze in self-imposed exile from the world. Blaze has become a tormented soul, convinced that his powers are a curse. Former stuntman Blaze is then approached by Moreau, a member of the monastic order of Michael, the warrior angel. Moreau seeks a protector for a mother and son duo who are being pursued by a figure named Roarke – a fellow with a detailed knowledge of the Ghost Rider and his different identities over the centuries. Starring Nicolas Cage, Idris Elba, Johnny Whitworth and Ciarán Hinds, Ghost Rider: Spirit of Vengeance is set to hit theatres on February 17th.
