

It's not the perfect way to view it and doesn't appear to be the full thing, but while speaking to the movie's star Taylor Kitsch Good Morning America debut (most of) the pretty damn awesome looking trailer for John Carter From Academy Award(R)-winning filmmaker Andrew Stanton comes "John Carter"--a sweeping action-adventure set on the mysterious and exotic planet of Barsoom (Mars). "John Carter" is based on a classic novel by Edgar Rice Burroughs, whose highly imaginative adventures served as inspiration for many filmmakers, both past and present. The film tells the story of war-weary, former military captain John Carter (Taylor Kitsch), who is inexplicably transported to Mars where he becomes reluctantly embroiled in a conflict of epic proportions amongst the inhabitants of the planet, including Tars Tarkas (Willem Dafoe) and the captivating Princess Dejah Thoris (Lynn Collins). In a world on the brink of collapse, Carter rediscovers his humanity when he realizes
