Here's the poster (picture above): From Wiki, "Po (Jack Black), now a kung fu master, is fighting alongside with Master Shifu (Dustin Hoffman) and The Furious Five—Monkey (Jackie Chan), Crane (David Cross), Tigress (Angelina Jolie), Viper (Lucy Liu), and Mantis (Seth Rogen). They have to join forces with another group of kung fu masters— Skunkman (James Woods), Thundering Rhino (Victor Garber), Soothsayer (Michelle Yeoh) and Croc (Jean-Claude Van Damme), in order to defeat Lord Shen (Gary Oldman) , an evil peacock who emerged with a weapon so powerful that it threatens the existence of Kung Fu itself, but first, Po must confront his long-lost past."
