

NEWSaRAMA has given us our first look at all 52 of the New logo's for DC's upcoming relaunch. As you'll notice, some are unchanged, while some have slight alterations in relation to the ones we were familiar with. Others however, have been completely re imagined. Take your first look at all of the new logo's below and share your thoughts in the usual place. Do you like what has been done (if anything) to your favorite characters logo? By TwitterButtons.com
