

Every hero has a journey. Every journey has an end. Christopher Nolan returns to complete the epic Gotham trilogy that launched with Batman Begins and reached the stratosphere with the billion-dollar blockbuster The Dark Knight. Inception's Marion Cotillard and Joseph Gordon-Levett join the cast regulars along with Anne Hathaway as Selina Kyle and Tom Hardy as the powerful villain Bane, while Oscar winner Christian Bale prowls the night as the Caped Crusader, fighting crime and corruption with the help of Michael Caine, Morgan Freeman and Gary Oldman.
