

Nuke The Fridge have managed to score the following set pic, taken back when Zack Snyder's Man Of Steel was filming around Edwards Air Force Base.. It's the first, albeit not the clearest, image we have seen of both Henry Cavill as Superman and Amy Adams as Lois Lane together. This would also seem to lend credence to their set report from last week (remember that dodgy dialog? It may just be the real deal) which detailed a scene involving Supes, Lois, Faora and the army led by Colonel Hardy. They reckon more set pics are to follow so keep an eye out.
