There have been many versions of Heroes for Hire, all derivations of the classic Luke Cage/Iron Fist team-up of the late '70s. The latest version comes from the crack writing team of Dan Abnett and Andy Lanning, well known for more cosmic space-faring sagas in Legion of Super-Heroes and most recently, the Thanos Imperative and War of the Kings. Although the series premieres this month, the entire first issue of Heroes for Hero will be reprinted in Avengers #10 at no additional cost on Feb. 23. Fans of the Avengers will get a second chance to catch the new adventures of Ghost Rider, the Punisher, Moon Knight, Iron Fist and more of the Marvel Universe's grittier characters.
