

Following the teaser trailer and a lot of set snaps, IGN has debuted the first 4 official stills from Marvel and Netflix's Iron Fist, giving us another look at Finn Jones as the titular hero, who appears to be training in Colleen Wing's (Jessica Henwick) dojo. Wing is also featured in her own pic, and then again alongside Rand and the returning Claire Temple (Rosario Dawson). Then finally we have Joy (Jessica Stroup) and Ward Meachum (Tom Pelphrey), who will almost certainly be causing very different kinds of problems for Iron Fist and friends. Daniel Rand returns to New York City after being missing for years. He fights against the criminal element corrupting New York City with his incredible kung-fu mastery and ability to summon the awesome power of the fiery Iron Fist. Iron Fist will be the last piece of The Defenders puzzle, and will eventually join Cage, Jessica Jones and Daredevil to form the Marvel Comics super-team.
