

A couple of new TV promos (one is in French) for Morten Tyldum's *Passengers* have been released, and feature quite a bit of new footage from the movie. In fact, there are a few shots that might well be a bit SPOILER-Y so be warned. We also have some photos from star Jennifer Lawrence's new shoot with *Vanity Fair*, who also conducted an in-depth and very interesting interview with the Academy Award-winning actress, which you can check out [HERE](#).

On a routine journey through space to a new home, two passengers, sleeping in suspended animation, are awakened 90 years too early when their ship malfunctions. As Jim (Chris Pratt) and Aurora (Jennifer Lawrence) face living the rest of their lives on board, with every luxury they could ever ask for, they begin to fall for each other, unable to deny their intense attraction... until they discover the ship is in grave danger. With the lives of 5000 sleeping passengers at stake, only Jim
