

Filming of Jeff Wadlow's Kick-Ass 2 (based on the Mark Millar/John Romita Jr. series) is now well underway, and the recent reveal of the villainous 'Mother Russia' on set has understandably resulted in a lot of excitement among fans. Apparently, the scenes currently being shot in Toronto with Olga Kurkulina see her, "Rip off a cop car's door and use it to shield fire from one of the cops before flinging it at another cop." Many thanks to Hussain for sending us the following photos and footage. Be sure to get in touch with us by clicking [HERE](#) if you have anything similar you would like to see published on CBM!
