

Here are new photos of Anne Hathaway as Selina Kyle on Christopher Nolan's The Dark Knight Rises L.A. set. Writer's Note: Yours truly also got a chance to check out today's set, and I have to admit it was pretty darn awesome. I witnessed Anne Hathaway exiting a building grabbing a cab on the Gotham City streets. Later on Nolan shot scenes with Christian Bale as Bruce Wayne being escorted by Joseph Gordon-Levitt as John Blake. Wayne was dropped off across the street of Selina Kyle's building, which he afterwards entered. Probably for some detective work. After the exterior shots the crew then moved into the building for further shooting of interior shots. Here are the photos and a video which I took! This is the building which Christian Bale entered. Video: I apologize for the poor recording, but you can see Anne Hathaway getting into the cab towards the end. The Dark Knight Rises is scheduled
