

While I was looking at the release dates for the upcoming films on a major theatre chains website here at my place, I came across this full, new plot synopsis for the Christopher Nolan-directed film The Dark Knight Rises. Now, I'm aware we have seen a couple of those already, but all that was mostly about the cast, director, producers, who is playing who in the film, etc... I read it a couple of times just to make sure it wasn't posted before, and I honestly don't remember seeing it anywhere. The following is a translation: The bravest, the darkest and most exciting of all the heroes returns to the big screen-Batman-in a fight what he himself has not yet experienced. The most anticipated film this summer is the latest continuation of the legend of the hero of modern times. It's been eight years since he took over responsibility for the Two-Face's
