

Ridley Scott, director of "Alien" and "Blade Runner," returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. Exclusively for IMAX fans – those attending the Prometheus midnight shows in North America in the first hours of June 8th receive an exclusive, limited edition poster. The never-before-seen artwork teases the mysteries unlocked in Prometheus, and is available as part of IMAX 12:01. Check for list of participating theatres on imax.com; while supplies last.
