

Blade's mother was bitten by a vampire while pregnant, imbuing her unborn son with vampire strength and a thirst for blood, but without the vulnerability to sunlight. A master of weaponry with a desire to avenge the death of his mother, Blade finds himself in Japan, the Philippines, Indonesia, Vietnam, and Cambodia in an effort to take down the evil villain, Deacon Frost. With vampire hunter Makoto at his side, they will stop at nothing to destroy Existence, a vampire organization with roots deeply embedded in Asia. Game Trailers - E3 2012 Blade Anime is set to begin airing on G4 January 13th, 2012.
