

You know there never is a good time to tell your son why you had to kill your best friend, but isn't even tougher when a horde of zombies is sprinting after you like you were the last bottle of Heinz ketchup. Enjoy the new promo, but you'll probably enjoy it more if you understand Spanish. Also in the news is that Playboy Magazine is teaming up with The Walking Dead by publishing a six page back story of how the amazing Michonne became such a kick-ass brawd. If you don't know what Playboy Magazine is I wouldn't blame you, see it's a nudie magazine for people that don't realize there is this thing called the internet, where porn can be found for free. Oh, those old people they are so adorable. The origin of Michonne will be told by Robert Kirkman and Charlie Adlard in six pages, and printing
