

HBO hasn't released the official description for next week's season one finale of Westworld, but it's probably not a stretch to assume it's going to be show's wildest hour yet as we finally get some major answers and, well, probably a lot more questions to take us into next year (or the year after that). Check out the preview for the season finale, titled "The Bicameral Mind," below: Episode #10: "The Bicameral Mind" Debut date: SUNDAY, DEC. 4 (9:00-10:00 p.m.) Directed by Jonathan Nolan. The one-hour drama series Westworld is a dark odyssey about the dawn of artificial consciousness and the evolution of sin. Set at the intersection of the near future and the reimagined past, it explores a world in which every human appetite, no matter how noble or depraved, can be indulged. Westworld features: Anthony Hopkins as Dr. Robert Ford Ed Harris as The Gunslinger Evan Rachel Wood as Dolores Abernathy James Marsden as Teddy Flood Thandie Newton as Maeve Millay Jeffrey Wright as Bernard Lowe Tessa Thompson as Charlotte Hale Sidse Babett
