

Thanks to a heads up from Twitter's @Marvel_Spider, we have this promotional piece of artwork from Sony which features not only Milla Jovovich as Resident Evil: Retribution's Alice, but also none other than The Amazing Spider-Man. Posted on Sony's Facebook page, it also came with the following teaser: An exclusive first look for our Sony Facebook fans: very soon we will be giving you insider access to someone in this photo – who do you think it will be? Nice touch having one of the Sackboy's (from PS3 game, LittleBigPlanet) beneath Spidey dressed as a Lizard, eh? STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The Lizard Martin Sheen as Uncle Ben Sally Fields as Aunt May Denis Leary as George Stacy RELEASE DATE: July 3rd, 2012.
