

After last season ended with one of Supernatural's best cliffhangers ever, Mamma Winchester made her triumphant return in tonight's season premiere, but her reunion with Dean was cut a little short with her youngest son Sam still M.I.A. Next week, Dean, Casitel, & Mary follow-up a lead pointing to Sam's location and head out to rescue him even though Dean has trepidations about Mary tagging along, but saying no to your recently resurrected mother is much easier said than done. Elsewhere, Crowley discovers Lucifer has possessed rock star Vince Vicente, played by guest star Rick Springfield. Check out the new promo below: **RICK SPRINGFIELD GUEST STARS** - Dean (Jensen Ackles), Castiel (Misha Collins) and Mary (guest star Samantha Smith) have a lead on Sam (Jared Padalecki) and set out to rescue him. Dean is uncomfortable with putting Mary in danger but she insists on going along. Meanwhile, Crowley (Mark A. Sheppard) is tipped off that Lucifer has taken over the body of rock star Vince
