

Supernatural season twelve is off to a strong start and next week, the ride continues. With Mary temporarily out of the picture, trying to once again find her place in the world, Sam & Dean find a new case to get their minds off their current home situation. The case in question takes them to an off the grid devout religious family that may be holding a huge secret that could destroy them all. Check out the new promo & stills below: “American Nightmare” — (9:00-10:00 p.m. ET) (TV-14, LV) (HDTV) OFF THE GRID – Sam (Jared Padalecki) and Dean (Jensen Ackles) investigate a case that leads them to a devout religious family that lives off the grid. The brothers realize that the parents are hiding a huge secret that could destroy them all. Meanwhile, Dean struggles to accept Mary’s (guest star Samantha Smith) latest decision. Davy Perez wrote the episode directed by John Showalter (#1204). Original airdate 11/3/2016.

In the show’s tenth season, Sam and
