

Thanks to the Resident Evil Xtreme English Facebook page we have these new pictures from the set of Resident Evil: Retribution. The new pictures gives us a glimpse at what could be a possible return of the characters to Raccoon City. The city was destroyed with a missile in the second movie in an attempt to contain the T-Virus. Another interesting possibility is that the mansion seen in one of the pictures could that be the same from the first game? Thanks to nailbiter111 for the heads up. Based on the famous video games franchise, Resident Evil: Retribution is the fifth movie in the series and has on the cast Milla Jovovich, Sienna Guillory, Boris Kodjoe, Johann Urb, Kevin Durand, Shawn Roberts, Michelle Rodriguez, Oded Fehr and Colin Salmon confirmed and is set to come in September 14, 2012 in 3D!
