

Do you think shooting much of Rogue One on location made a major difference in the aesthetic of the finished product? Some of the locations Gareth Edwards and the rest of the cast and crew ventured to included Jordan, the United Kingdom, Iceland and Maldives. Check out the video below which features some of your favorite scenes from the film but provides a new perspective from behind the cinematographer. Seeing the Stormtroopers storming the beaches of Maldives makes me want to immediately head out to the theater again for a second viewing.

Rogue One: A Star Wars Story is currently playing in theaters. From Lucasfilm comes the first of the Star Wars standalone films. "Rogue One: A Star Wars Story", an all-new epic adventure.
