

Earlier pics from the set of Marvel and Netflix's Daredevil spinoff, The Punisher, have mainly featured Jon Bernthal (Frank Castle), but this time we get a first glimpse of a couple of the show's supporting characters. It was previously announced that Amber Rose Revah (House of Saddam, From Paris with Love) would be playing a "highly-trained sophisticated Homeland Security agent" named Dinah Madani, and here we see her alongside The Knick actor Michael Nathanson, who has not yet been officially named as a cast member. From the looks of these images, however, there's a good chance he'll be playing a colleague of Madani's. The pics are copyrighted so you'll have to click [HERE](#) to check 'em out.
