

Courtesy of Quara33, even more TV spots for Matthew Vaughn's X-Men: First Class prequel have found their way online. The first ad may look familiar, revealed in low-res earlier this week, offering a new look at 'Emma Frost' in Diamond form. The second ad, however, unveils a new look at 'Beast,' as well 'Darwin' and a sense of his mutant powers. X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to stop Armageddon. In the process, a grave rift between them opened, which began the eternal
