

An ad for a new Dell gaming laptop contains a new promo image for Tom Holland's Spider-Man from the upcoming reboot from Marvel and Sony. What do you think of this costume versus the pre-Tony Stark upgrade he'll sport in a few scenes in Homecoming, briefly on display in the last trailer. In addition to the homemade costume and the Tony Stark designed "spider-armor" there are rumors that there'll be a third costume debuting in the film that will be kept under wraps. Click the image below for a hi-res look at the Stark version. **CLICK ON THE IMAGE FOR A LARGER VERSION** ABOUT SPIDER-MAN: HOMECOMING Spider-Man: Homecoming arrives in theaters on July 7th, 2017.
