

Titan are celebrating the re-release of the first installment in George Lucas' prequel trilogy by releasing a series of tie-in comics and magazines. Below you can see a cool 3D (you will have to provide your own glasses) image of Darth Maul exclusive to CBM.. Here is the press release in full.. **NEW STAR WARS 3D COMIC WITH TOTALLY: THE PHANTOM MENACE SOUVENIR MAGAZINE!** As the Star Wars saga joins the 3D revolution with the cinema release of Episode I, Titan is delighted to announce the release of the official Totally: The Phantom Menace magazine. The 32-page official movie souvenir magazine is a must-have, will-sell-my-last-bantha-to-buy-one comic for any self-respecting Star Wars fan, featuring a galaxy of features, puzzles, and games. And to celebrate the movie's exciting new dimension, it features ten pages in amazing 3D, including an all-new, all-action comic strip! There's an eye-popping double-page 3D pull-out poster with some of the most iconic characters
