

Jack Ryan recently began production, yesterday we got the first still from the reboot (check that image out [HERE!](#)), and now, Paramount have released another still from the Kenneth Branagh-directed flick, this time featuring the titular character, played by Star Trek star Chris Pine and Man of Steel star Kevin Costner as a legendary CIA field agent. The film also stars Keira Knightly (Pirates of the Caribbean) , and director Kenneth Branagh, Jack Ryan opens December 25th, 2013! Thanks To @PaulRomCBM for the heads up!
