

After receiving rave reviews at San Diego Comic-Con last summer, it's finally time for fans to get a taste of DC's first comedy series - Powerless! The series stars Vanessa Hudgens (Grease: Live) as Emily Locke, an employee at Wayne Security, who will arrive at the company with high hopes of bettering the lives of the people that live in this crazy superpowered world. However, things, as they often do, don't exactly go according to plan when she meets her new boss, played by Alan Tudyk (Rogue One: A Star Wars Story), and her quirky co-workers, played by Danny Pudi (Community), Christina Kirk (A to Z), and Ron Funches (Undateable). Earlier today, NBC released three sneak peek clips from the season premiere, titled "Wayne or Lose," and fifteen promotional stills. Check out the clips below and keep scrolling for a huge batch of photos: ["WAYNE OR LOSE" - 02/02/2017 \(08:30PM - 09:00PM\) \(Thursday\) SERIES PREMIERE - EMILY LOCKE'S FIRST DAY DOESN'T EXACTLY GO AS PLANNED -](#)
