

Superman is the name the people of Metropolis have bestowed upon their new hero, Kal-El of the planet Krypton. Using his super-human abilities of flight, strength, enhanced sense and invulnerability, Superman protects Metropolis as he fights for for "truth, justice, and the American way." Here at SuperHeroStuff we live for the same principles as Superman. The main difference between our beliefs and his is that we use our super-human abilities to provide Stuff in the name of "truth, justice, and the American way." (all other countries, too) We have new kids shirts: We have new ladies stuff: We have new stuff for everyone: SuperHeroStuff.com has the largest selection of superhero t-shirts and other super-stuff on the web. Be sure to check out our Supervillains, Wolverine, JLA, Spider-Man, Avengers, Iron Man and complete list of others on our website. Let us know if you're looking for something and you don't see it. We'd be happy to help.
