

That's right, now your dog can geek out just as much as you with our new selection of superhero themed dog collars and dog leashes. The dog collars match the dog leashes or you can get all crazy and mix and match. We have 4 heroes to start with, we have Batman, Green Lantern, Wonder Woman and Superman and Krypto told me he approves! The collars come in two different sizes so we should have something that will fit most dogs. You can check them all out on our Superhero Dog Collars and Leashes page.
