

Our first shirt in this article is the first t-shirt we have gotten in that is based on the art and the new costume designs of the newly relaunched DC Universe. It's the new Justice League! The t-shirt features Aquaman, Green Lantern, Wonder Woman, Superman, Batman, Flash and Cyborg in all their newly redesigned glory. The rest of the shirts we have here are just a sampling of some of the new shirts we have gotten in this week. To check out the full selection, go to our New Superhero Men's T-Shirts.
