

That's right, we have yet another new featurette for The Amazing Spider-Man! This one takes a look at an aspect of the reboot that many fans weren't particularly fond of when they first found out about it - Peter Parker and his skateboard. There's nothing too exciting in the below video (courtesy of our friends over at MTV Splash Page) but it does offer us a pretty interesting insight into just how much work actor Andrew Garfield put in to perfecting Parker's skills on a board. In fact, he goes so far as to say that, "there's something so beautiful about" the art of skateboarding and that, "It's like someone pounding up a ladder and then floating through the clouds." Check it out below and sound off with your thoughts in the usual place.
