

Marvel Studios and Symantec's Norton, the ultimate protection for all devices, have reteamed since last year's Captain America movie, now in anticipation for the superhero team-up The Avengers. And while promotion kicked off at the SXSW film festival, Norton has now debuted an exclusive behind-the-scenes featurette. Although a majority of the three-minute video elaborates on the five-year build-up to The Avengers, there's a decent amount of actual "behind-the-scenes" clips in addition to brief on-set interviews with Joss Whedon! To find out more about Norton's promotion for The Avengers, which includes a \$10,000 grand prize sweepstakes, among other things, in addition to visiting their Operation SHIELD truck, check them out on Facebook, Twitter and their official site of course! And be on the lookout for more exclusive content! Marvel Studios presents in association with Paramount Pictures "Marvel's The Avengers"--the super hero team up of a lifetime, featuring iconic Marvel super heroes
