Thanks to "Chewy" over on the SuperHeroHype forums for sharing these new pictures and designs online. You can see more by following the link over to his post by clicking in the usual place at the bottom of this article. For now, here are a few of the most interesting minimate toys and designs. Where's Donald Blake you ask? Well, check out the title of this design sheet to see exactly how Marvel will include Thor's comic book alter ego in the highly anticipated live action adaptation. I know that there was a lot of speculation that the depowered Thor would take on a human alias (with the name being an inevitable nod to the comics) but this confirms it! Be sure to share your thoughts below! Directed by Kenneth Branagh and starring Chris Hemsworth in the title role, Thor is set to be released in 3D on May 6, 2011!
