

In the highly anticipated new season, Rick (Andrew Lincoln) and his fellow survivors continue to seek refuge in a desolate and post-apocalyptic world and soon discover that there are greater forces to fear than just the walking dead. The struggle to survive has never been so perilous. The Walking Dead season 3 will consist of 16 episodes, and will air in two parts with the first eight hours kicking off October 14th and returning in February, 2013 with the final eight episodes.
