On Learning From The Mistakes Of Transformers: Revenge Of The Fallen: "It was kind of a mess, wasn't it? Look, the movie had some good things in it and it was entertaining and it did very well, but it also failed in some key ways. I learned from it. And now with this third movie we're going back to basics and I absolutely believe this is going to be a much better film than the second one." On Why The Second Installment Failed To Live Up To The Expectations Of Fans: "I'm still having fun and especially with this movie. Look, we got burned on the last movie. The big thing was the writers strike, it hurt the film and it made it hard on everybody. We had three weeks to get our story and, really, we were going into the movie without a script. It's tough to do that. It was too big
