

Announcing it's much-anticipated release coming two days earlier, Paramount Pictures has now unleashed a brand new trailer for Michael Bay's Transformers: Dark of the Moon trilogy finale. Similar to previous trailers, but with new scenes throughout, check out the trailer which'll be viewable in theaters in 3D, starting today. Transformers: Dark of the Moon follows a mysterious event from Earth's past erupting into the present day and threatens to bring a war to Earth so big that the Transformers alone will not be able to save us. And starring Shia Labeouf, Rosie Huntington-Whiteley, Patrick Dempsey, and Tyrese Gibson, the film releases June 29!
