

Sony Pictures has released a new 30-second TV spot for Passenegers, which stars Jennifer Lawrence and Chris Pratt as 2 members of a crew bound for a colony on the other side of the galaxy who wake from hypersleep 90 years early. Check out some snippets of new footage, as well as a new Thai poster for the movie below. On a routine journey through space to a new home, two passengers, sleeping in suspended animation, are awakened 90 years too early when their ship malfunctions. As Jim (Chris Pratt) and Aurora (Jennifer Lawrence) face living the rest of their lives on board, with every luxury they could ever ask for, they begin to fall for each other, unable to deny their intense attraction... until they discover the ship is in grave danger. With the lives of 5000 sleeping passengers at stake, only Jim and Aurora can save them all. Passengers hits theaters on December 21.
